

Bevi Buddy

PRODUCT CODE: [ACC1037](#)

Overview

This Bottle Holder is universal and can be used on most prams and strollers.

Once installed on the pram, the quick release system can be used to pop the bevi buddy on and off very quickly.

This Bottle Holder has a swivelling hinge, allowing it to be level with the ground at all times.

The Bevi Buddy is a great accessory and is an ideal gift to accessorise a pram or stroller.
